Gentlemen:

Reference is made to your letter of 2 September 1959 requesting approval of an additional trip to be made by your project engineer from Palo Alto to the Los Angeles area and return.

It is understood that this trip is to be made to complete delivery and final installation of equipment produced under subject Task Order.

In accordance with applicable provisions of subject Contract, approval is hereby granted for the costs incurred in connection with the above stated travel. This approval is given with the understanding that the allocation of this expense will not result in an increase in the previously approved total cost of subject Task Order.

In requesting travel approval in the future, it will be appreciated if you will give us the name of the individual or individuals concerned and the approximate date of the trip to be made.

When submitting your invoice covering this expense, will you please make reference to this letter of approval.
